

Registration form – Flea Market Students4Students

Flea Market Students4Students

Tuesday, 24.09.2024

02:00 – 05:00 pm, set up starts from 01:00 pm

Important: To ensure everything is running smoothly, all registered students should be ready to set up their booth on Campus Kleve from 01:00 pm. As all booths for both markets must be set up by 02:00 pm, we cannot guarantee a booth in case of a late arrival.

All booths will get an area of the same size with one table and one chair (we may be able to provide an additional chair, however, as the total number is limited, we can only guarantee one) - feel free to bring decorations to add personal touches to your booth 😊
There will be no power outlet but music will be played at the Info Booth (right at the crane on Campus Kleve).

Please add all information below:

Full Name	Laudo Finda Pedro Lukoki
Matriculation Number, Study Course	28858, Mechatronic Systems Engineering
Phone Number	017631688774
E-Mail address	Laudo-Finda-Pedro.Lukoki@hsrw.org

Important Instructions:

- The market will be held outdoors; only in case of very heavy rain, we will move into building 1. In case of mild rain or very sunny weather, it is advised to take necessary precautions.
- Rhine-Waal University of Applied Sciences bears no liability for any items.
- As the booth's owner, you have the freedom to decide on the pricing and which items to put up for sale. Rhine-Waal University of Applied Sciences is not involved in selling any items.
- Please be mindful of what you bring and avoid items that are too worn out or no longer usable. We kindly request that you refrain from bringing personal undergarments and similar items.
- Items of the following types may not be sold: Live animals, real animal fur, any food items, pornographic, violence-glorifying and national socialist written and piece goods, imitated products of known manufacturers, weapons and the like.

Please submit the registration form via e-mail to karimabou.dargham@hochschule-rhein-waal.de **by 31st of August 2024.**

Feel free to send us an email in case you have any questions.

Best regards,

Karim Abou Dargham & Shadi Al Ashkar
(Responsible Coordination Tutors Freshers' Week 2024)
